CAMP.

A discussion of the materials out of which Gan. Grant's cabinet is to be composed has stirred up a rancorous conten "There are already formed or in process of formation cabinet rings in the East, in the West, in the North and even the South. The Eastern, or New in session in the city of Havana, the 25th England, ring has Summer as its favortite, with an old regime, but rather enterprising, Boston paper as an organ. The Western, or Chicago, riog has Elihu B. Washburne as its favorite, with a Chicago of the Ch Chicago quid nunc as an organ. The Southern, or carpet-bag ring, has a representative man as its favorite, with a colored organ to groom him for the contest. But the grandest ring of all-the great concentric ring, the ring within

rings, the ring that is prepared to dish up cabinet ministers, foreign ambassa-dorships, fat collectorships, and to serve out according to order all the superb plums and delicious drippings from the larder of a fresh administration—is the New York ring, with its impatient, quarrelsome and troublesome organs Happily for the peace of Gen. Grant either of these organs can furnish a can-didate for a place in his cabinet or an ambassadorship abroad without going out of the purlieus of their own sanctums. In the meantime, while all come. Others will come no more—the volces of David J. Allen, John W. Mcunder Gen. Grant's administration, tha hero visits New York, smokes his cigar, dines and chats pleasantly with personal it will be time for me to begin to act." It is clear, therefore, that the signs of trouble which begin to show themselves among the Republican leaders and organs do not disturb the equanimity of No. 226 Front Street, Memphis Gen. Grant in the least, but that, having made up his mind to go into the Presi dential office with a determination to reform abuses, reduce expenditures and place capable, honest and trustworthy men in office, he will do so at the hazard of the opinions of all political backs who may think they have him securely in their greedy clutches. Trouble is be-

WINES AND LIQUORS.

WOLFE'S

Schiedam Schnapps. THE above Medicinal Beverage is manufac-tured by the proprietor, at his distillery, in Schiedam, Holland, expressly for medicinal Inse.

It is now some twenty pears since the pro-prietor first introduced it to the American pub-lic, and during that time he has received over three thousand letters from physicians, inders-ing it as the purest liquor they have ever used

ing it as the purest liquor they have ever used in their practice.

It is made from bariey of the finest quality, selected with great care from the products of the most celebrated grain-growing districts, is flavored with the essence of the aromatic integer-berry of Italy, and is rectified by a peculiar process, which expels from the spirit every sorid particle.

As a means of preventing and correcting the disagreeable and often dangerous effect produced upon the stomach and bowels by a change of water—a visitation to which travelers, new settlers, and all unacclimated persons in the West, the South, and Southwest are penalizely liable—the bethiepank Aromatic while in cases of dropsy, gravel, obstructions of the kindneys, diseases of the bindier, stricture, dyspepsia and general debility, it is recommended most emphasically by the most distinguished members of the medical profession. It is put up in quart and plat bottles, in cases, with the name of the under skeped on the bottle and cork, and a fac-alunte of his laginature on the habel. For sale by all respectable druggists and country merchants.
